

PSYCHOLOGICAL STRATEGY BOARD
WASHINGTON

December 28, 1951

General W. B. Smith
Central Intelligence Agency
Washington 25, D.C.

Dear Beedle:

Do you see an objection to having the Intelligence Officer for PSB staff attend the meetings of IAC, the Watch Committee and the Office of National Estimates as an observer and for purposes of keeping the PSB staff and Director currently informed? At the moment the Intelligence Officer is [redacted], who, as you know, has attended some of these meetings in the past in a different capacity.

Mr. C. Tracy Barnes, Deputy Director of PSB, is thoroughly conversant with our requirement in this respect. I am sure that he would be happy to discuss this proposal with any member of your staff you might designate.

Sincerely,

Gordon Gray
Director
